

## HOW DO DIRECT BUY-INS WORK?

**Direct buy-ins will be offered at each of the three (3) Regional Semifinals for all events except *Barrel Racing*.**

- Buy-ins provide contestants the opportunity to secure a position in their respective discipline without advancing through the standard qualification process.
- The buy-in fee is \$1,000 per entry, plus applicable service charges. Buy-ins will be accepted on a first-come, first-served basis and will fill available positions up to maximum entry numbers determined by Teton Ridge.
- Entry windows, deadlines, and specific event details will be announced and posted no later than 30 days prior to each Regional.
- All buy-ins must be completed online within the designated entry period.  
*No walk-up entries will be accepted under any circumstances.*
